Type Talk: The 16 Personality Types That Determine How We ...

The Type Talk personality theory is built around four tendencies that are natural parts of an individual's personal traits. Each individual has a natural propensity to lean toward one. Type Talk is a very insightful book that helped me to understand myself and those that I work with more clearly.

Instructions: Click the microphone icon and begin speaking. Dictate about one sentence at a time. When the speech is recognized, it will appear in red. If it's not right, click the "Alternatives" button to view other 'recognitions', edit the text, or just try dictating again. When the text is right, click the button with the arrow pointing down, and your text will be added to the box at the ...
