Type Talk

Type Talk examines the four pairs of preferences that are fundamental to every personality type:

Extraversion/Introversion, Sensing/iNtuition, Thinking/Feeling, and Judging/Perceiving. Kroeger and Thuesen provide a self-evaluation that can be used to determine which of each of these preferences best describes you.

The text user can type or speak their conversation to the hearing person, the hearing person will speak their part of the conversation and the Typetalk Operator will type exactly what is being said. The same happens in reverse. If a hearing person wishes to call a Textphone user they would dial 18002 followed by the full telephone number.
