United Nations Secretariat - Wikipedia
Secretariat, the organ that administers and coordinates the activities of the United Nations. It is headed by the UN secretary-general. The Secretariat influences the work of the United Nations to a degree much greater than indicated in the UN Charter. This influence largely results from the fact that the Secretariat's staff is composed of permanent expert officials, rather than political appointees of member nations.

Leadership Positions in the Secretariat | United Nations
The secretary-general of the United Nations (UNSG or SG) is the chief administrative officer of the United Nations and head of the United Nations Secretariat, one of the six principal organs of the United Nations. The role of the secretary-general and of the Secretariat is laid out by Chapter XV (Articles 97 to 101) of the United Nations Charter. However, the office's qualifications, selection process, and tenure are open to interpretation and have been established by custom.
