Uw Mechanical Engineering Application

Application Instructions Please review the Mechanical Engineering admissions overview page before applying. These application instructions are only for Early Admission & Upper Admission. UW Mechanical Engineering accepts new students into the Bachelor of Science in Mechanical Engineering program once a year for Autumn Quarter only.

## File Type PDF Uw Mechanical Engineering Application

The Department of Mechanical Engineering at the University of Washington houses one of the premier mechanical engineering graduate programs in the United States. Of the 383 graduate students enrolled in the department, 263 are master's students, and 120 are Ph.D. students. Approximately two thirds of our graduate students study full time, while one third are part-time students who take fewer ...

### ME Resources and Forms - College of Engineering ...

Start your UW application as soon as September 1. See UW Admissions' How to Apply page for step-by-step instructions, including fees, how to submit test scores, and required documentation. Where the application asks for your first-choice major, select an engineering major (or "engineering-undecided") to be considered for Direct to College admission.

---

### Undergraduate Admissions - UW College of Engineering

Thank you for your interest in UW Engineering. If you are a UW student and have not been admitted to the College of Engineering, it's important to note that demand for engineering degrees far exceeds available space in classes; admission is not guaranteed and you should be prepared to pursue an undergraduate major outside of the College of Engineering.

---

### Admission to the UW Engineering Departments | UW College ...

Bachelor of Science in Mechanical Engineering. As an undergraduate working toward your bachelor's degree, you learn the science and engineering principles of designing and building machines, structures, components, powertrains, pumps, compressors, turbines, engines, power plants, furnaces, refrigerators, air conditioners, and more.

---

### Mechanical Engineering - College of Engineering ...

Once admitted to UWT, submit the ME program application by the deadline stated on the website. You must be admitted to UWT and have a UW student ID number in order to submit your ME application. Contact a SET advisor or schedule an appointment if you have questions about the application process or your eligibility to apply. Students with previous baccalaureate degrees or extensive computing work experience should meet with an advisor to discuss options.
