If the radio is in VES mode with VES
playing CD-Audio or MP3, the user may
press the random button on the radio. This
will cause the tracks to sequence in a
random order. In this case, RND is
displayed on both radio and VES screens.
The VES display will look like figure 4 to
Figure 3: When VES is in same mode as
the radio, indicate that random ...

I have a dual screen OEM DVD installed
on my 2009 Town and Country. A week a
go my second row monitor stopped
working (it won't power up). I already
tested the DVD player on a similar
minivan and it works fine, I also tested the
radio system from the other minivan and I
get the same problem (the VES can not be
turned on via the radio system or the
actual DVD player).
