Vietnam Rising Dragon Bill Hayton

Bill Hayton refers to Templer's book both at the beginning and end of Vietnam, Rising Dragon, perhaps understanding that his book will be seen to some degree as an update of Templer's work. I do not think that Hayton equals Templer in terms of style and insight, but this is nonetheless a readable and well organised overview of a fascinating and fast-changing country.

---

Vietnam: Rising Dragon: Hayton, Bill: 9780300178142 ...

Yet beneath these sweeping developments lurks an authoritarian political system that complicates the nation's apparent renaissance. In this engaging work, experienced journalist Bill Hayton looks at the costs of change in Vietnam and questions whether this rising Asian power is really heading toward capitalism and democracy.

Vietnam: Rising Dragon - Kindle edition by Hayton, Bill ...

Bill Hayton. 3.86 · Rating details · 599 ratings · 51 reviews. The eyes of the West have recently been trained on China and India, but Vietnam is rising fast among its Asian peers. A breathtaking period of social change has seen foreign investment bringing capitalism flooding into its nominally communist society, booming cities swallowing up smaller villages, and the lure of modern living tugging at the traditional networks of family.
