### Vintage Lee Jeans Guide

You can easily verify the true vintage of the jeans with this easy trick: find the red tab and check for a capital "E" in LEVI's. Styles from the 80s and 90s are great too, so don't limit yourself to the big "E". Borrowed from the boys: Don't ignore men's jeans while on the hunt for your perfect vintage Levi's. Most vintage Levi's are men's styles and sizing!

your guide to vintage denim You probably know this, but what's en vogue does change with the times. Back in the day, most American-made jeans were crafted with a higher waist, a looser and more voluminous pant leg, and high-quality, substantial and sturdy denim that tends to not have a lot of, if any, stretch to it.
