GPH ...

Gasoline Sterndrive package only - This engine is no longer in production, but there are some engines still in builder and dealer inventory. The 4.3GL has been in production at Volvo Penta only since 2007, but it's based on a veteran V-6 block that's been successful for 25 years, since GM introduced it as a Vortec truck engine in 1985. Over the past quarter-century, millions of these engines have been built for on-road, off-
