I have an HP OfficeJet Pro 8620. I lost the disc to install HP Solution Center. I upgraded to Windows 10 and somehow HP Solution Center was uninstalled. I can't find a ink to download Solution Center and I am in desperate need to scan and print documents. Thank you!

Solved: Lost my disc for installing HP Solution Center ...

Way 4: Disable Windows Search. A known bug in Windows 8 and 10 can cause a search loop that can be the cause of your high disk usage. To temporarily stop the Windows Search facility and see if it improves your disk issue, open an admin prompt and enter the command: net.exe stop “Windows search”.This will stop Windows search from running until the next time Windows is restarted.

10 Ways to Resolve a 100% Disk Usage on Windows 10 (2020)

Description. Technical. Buy. Edit. HP Solution Center is the main software program that you use to control and maintain your All-in-One printer in Windows. The program is part of the Full Feature software and driver package for your product, and cannot be downloaded separately.
