Work for Money, Design for Love is excellent. I recommended it to a close friend today who also has a fledgling creative firm. I've maybe half a dozen books on running a freelance design business, but this is the only one I've been inspired enough to actually read and keep on reading as opposed to the others which I've tapped into and sit on the shelf as reference books to get back to.

3. If they make you pay money to “work for them”—run. Look, some of the best work-from-home jobs will require you to have a degree or pass a certification of some kind. That’s not what we’re talking about here. When a company wants you to pay them \$49.95 a month to “work” for them, that should raise a red flag.
